

Tatiana Delforge

IT Developer

delforge.tatiana@outlook.com | 06 37 58 75 00 | 62110 Hénin-Beaumont

Professional profile

Passionate about computers since my third year in college, I learned to code from high school in different languages: HTML / CSS, java-script and Python.

Currently in the first year of a DUT in IT, I am constantly looking to learn new knowledge in this field and I hope to get a job in this specificity.
